

Exercise 9: Create a Site for Class Material

In this exercise you will create a site for class material. It should have your name on it and a section for exercises and assignments.

JANE DOE	
Exercises: <ul style="list-style-type: none">• Exercise 1• Exercise 2• Exercise 3	Assignments: <ul style="list-style-type: none">• Assignment 1• Assignment 2

To turn in this exercise, post the URL as a response to this post.
